Second annual travelling meeting of the *XYdigitale* project and the *XY* journal

Aversa, Department of Architecture and Industrial Design, Università degli Studi della Campania 'Luigi Vanvitelli'
Friday November 27, 2020 – 4.30 p.m. / 7.00 p.m. – On ZOOM platform (starting from 4.15 p.m.)

In continuity with the similar event in Rome in 2019, the meeting aims to be an opportunity to discuss the topics to be hosted in the *XY* journal and, in general, the areas of interest towards which to direct the initiatives of the *XYdigitale* project, starting from the solicitations expressed by the Scientific Committee and the Scientific Review Committee. A year later, the ideas already emerged during the first meeting and not yet realized need to be updated, reformulated and re-addressed also in order to identify the priorities in the activities of the 2021-22 two-year program.
